Please note:

1. We recommend setting aside 8-10 hours per week for each course to complete all tutorials, assignments, self-study modules and assessments.
2. Courses are fully online with self-study modules, assessments, live tutorials once a week for 1 hour, and an online midterm and final exams.
3. Courses are offered in an online blended learning format. Each 3-credit course is 14-weeks in duration, and e-textbooks are included.
